Unisem Receives 2016 Supplier Award from Intersil

Ipoh, Malaysia, June 2017 – Unisem was recently received the 2016 Supplier Award from its strategic customer Intersil. This award was presented to both Unisem and UAT “in appreciation of consistent and excellent supplier performance in 2016”.

Intersil is a subsidiary of Renesas Electronics Corporation, a leading provider of innovative power management and precision analog solutions. The company's products form the building blocks of increasingly intelligent, mobile and power-hungry electronics, enabling advances in power management to improve efficiency and extend battery life.

About Unisem

Unisem is a global provider of semiconductor assembly and test (OSAT) services for many of the world's most successful electronics companies. We offer an integrated suite of packaging and test services such as wafer bumping, wafer probing, wafer grinding; a wide range of leadframe and substrate IC packaging; wafer level CSP; and RF, analog, digital, and mixed signal test. Our turnkey services include design, assembly, test, failure analysis, and electrical, mechanical, and thermal characterization and modeling. The company has factory locations in Ipoh, Malaysia; Chengdu, People's Republic of China and Batam, Indonesia. Unisem is headquartered in Kuala Lumpur, Malaysia.
