

# FINANCE MANAGER / SECTION MANAGER

We are looking for a highly skilled Finance Manager / Section Manager who will be responsible for overseeing financial activities, providing strategic financial insights, and ensuring the accuracy of financial reporting. This role offers the opportunity to make a significant impact on our financial planning and analysis efforts.

## Responsibilities:

- **Financial Planning and Analysis:**
  - Develop and manage financial models, forecasts, and budgets.
  - Analyze financial performance and variances
  - Provide insights and recommendations for strategic financial decisions.
- **Management Accounting Functions:**
  - Review management accounts, including profit and loss statements, balance sheets, and cash flow statements.
  - Oversee cost accounting, cost control, and profitability analysis.
  - Implement and maintain effective financial controls and processes.
- **Reporting and Compliance:**
  - Ensure timely and accurate preparation of financial reports for internal stakeholders and external regulators.
  - Liaison with auditors and tax agents
  - Monitor compliance with accounting standards, company policies, and legal regulations.
- **Team Leadership:**
  - Lead and mentor a team of finance personnel, providing guidance and support for their development.
  - Collaborate with other departments to align financial goals with overall business objectives.
- **Project Management:**
  - Manage finance-related projects, including system implementations, projections, process improvements, and strategic initiatives.
  - Ensure project milestones are met and deliverables are achieved on time

**Requirement:**

- **Education:** Bachelor's degree in Finance, Accounting, or a related field. Member of Malaysian Institute of Accountant (MIA)
- **Experience:** Have progressive experience in finance, management accounting role and audit background or a similar capacity.
- **Skills:**
  - Strong analytical skills and attention to detail
  - Advanced Excel skills
  - Excellent leadership, communication, and interpersonal skills
  - Ability to work under pressure and manage multiple priorities effectively
